**URGENT** ACTION NEEDED BY: MINISTRY OF LAW AND JUSTICE, INDIA

MATTER OF: CHILD KIDNAPPING AND ILLEGAL CUSTODY

PLEASE HELP RELEASE A KIDNAPPED AMERICAN CHILD FROM ILLEGAL CUSTODY IN INDIA  
**URGENT** SERVICE TO THE DEFENDANT IS NEEDED.

Hon. Mr R.K. Srivastava, Mr Suresh Chandra (to whomever it may concern)  
Legal Advisors to the Ministry

I, Arun Kumar Singh, have filed a petition in Family Court of State of New York at Chautauqua County, for the sole custody of the Child Atharva Kumar Singh. I was in relationship with the Respondent Meghna Rana who used very illegal means to kidnap the child and move him across the country from USA to India. Ransom demands have been made in various times and various forms. Legality is being used to give authenticity to demands. The child is being held in illegal custody in Panchkula, Haryana by the defendant and her law abusing conspirator known as Rajinder Rana. The child is in illegal custody for more than 16 months now.

The referenced family court had summoned the defendant originally on August 18<sup>th</sup> 2022. Defendant appeared in court virtually but claimed the ministry never served her the documents. Documents were sent to the ministry via courier service and were also delivered in person at the gate of the Ministry of Law and Justice in New Delhi.

Now the family court has given one FINAL date for the hearing of the case, October 13<sup>th</sup> 2022. Failing service will destroy the future of the child, if the case is dismissed due to non delivery of service in time by the Central Authority. Your quick action can make immense impact to the child's life and his future.

I APPEAL to the ministry to serve the document to the defendant in expeditious manner and return the affidavit to the plaintiff as soon as possible.

Arun K Singh
